

Dear Rotarians,

During Rotary year 2009-2010, District 5300 lost a significant number of Rotarians and Rotary spouses. It is always troubling when a brother or sister departs, but particularly so when over twenty good people are lost during a single year.

That being the case, it seemed good and proper to honor the memory of the lost friends by conducting a memorial ceremony during the District Conference. In addition, it being my desire to recognize the loss of Bethany Jenea Rupello Smith, daughter of Marcia and Larry Smith, of the Boulder City club, it was decided to dedicate the ceremony to her memory. . This event took place on Sunday morning, June 13, at the Green Valley Ranch Hotel and Casino in Henderson, NV.

Twenty four deceased Rotarians and Rotary spouses were honored during the ceremony. Attached is the powerpoint program showing the deceased and their club affiliations.

While they will be missed, the contributions of these worthy persons to Rotary and their families will be remembered for many years to come.
