

In honor of this year's theme "Reach Within to Embrace Humanity," Rotary Youth Leadership Awards (RYLA) is asking all students and Rotarians participating to bring to camp 1-3 non-perishable food items to fill the food pantry at the Idyllwild Help Center. The community of Idyllwild has opened its arms to RYLA for the past 25 years and with the current economic times, they are struggling. The services provided by The Help Center are in great demand. Please join us in showing them how amazing the Rotarians of today and tomorrow can be when others need help!

**Idyllwild Help Center**
